SUMMARY

A self-motivated and detail-oriented B.Tech graduate in Computer Science and Engineering with a strong foundation in Python, Front-End Technologies, and MySQL. Possess excellent problem-solving, logical thinking, and communication skills, with the ability to work effectively both independently and in team environments. Passionate about learning new technologies and committed to developing clean, efficient, and maintainable solutions. Seeking an opportunity to begin a professional career in the IT industry and contribute to innovative and impactful projects.

TECHNICAL SKILLS

Programming	Python
Database	SQL, MySQL
Frontend	HTML, CSS, JavaScript, Bootstrap, React JS
Backend	Flask
Concepts	Data Structure & Algorithm
Tools	Git, GitHub, Google Workspace

SOFT SKILLS

Communication, Teamwork, Problem Solving, Time Management, Organizational Skills, Adaptability

PROJECTS

1. Network Security Maintenance and Detection| Python

- Developed a Network Security Maintenance and Detection system using Python for real-time monitoring.
- Implemented intrusion and suspicious activity detection to enhance network security.
- Integrated packet analysis and alert generation for threat identification.
- Created a dashboard for monitoring network status and security reports.

2. Checking Security Properties of Cloud Service in REST APIs| Python

- Developed a system to verify security properties of cloud services in REST APIs using Python.
- Implemented authentication, authorization, and API request validation mechanisms.
- Performed vulnerability analysis and monitored secure data transmission in cloud APIs.
- Automated REST API testing and generated security reports for threat identification.

EDUCATION

Visvesvaraya College of Engineering and Technology B. Tech – CSE	Nov 2022 – May 2026
T.S Model College Intermediate	June 2020 – Mar 2022
T.S Model School SSC	June 2019 – Mar 2020

CERTIFICATIONS

- Git & GitHub collaboration Workshop – Codegnan (2026)
- Data Science – KG – INFOTECH (Apr 2025)
- AI for Beginners – HP LIFE (2025)
